**Enumerating the Objectives He/She Really Wants to Achieve and to Define the Projects He/She Really Wants to Do in His/Her Life****Part 2**

Based on your answers above, define the meaning of one's life based on your own reasoning. You are free to incorporate personal beliefs. However, make sure to use clear and logical flow of reasoning in your paper. Write for a minimum of 25 sentences. You may use outside sources but make sure to cite them accordingly. Follow the Chicago – Turabian style or the APA style of citation.

*"An unexamined life is not worth living"*
